

WELCOME to BFM IN-PERSON OUTDOOR, MIDWEEK
MEETING for WORSHIP

BFM's first in-person, outdoor, midweek Meeting for Worship will be on Wednesday, June 2, at Elizabeth Park (near the corner of Washington and Walnut Streets) from 4:00-5:00. Please come at 3:45 so that we can distance our chairs, collect the signed BFM COVID-10 Policies and Plans (more on this below) and gently settle in. We will meet every Wednesday until further notice. If the weather threatens, use your own discretion though you might consider raingear unless it is more than a drizzle. You might want to bring a camp chair.

The Worship & Ministry committee has approved the BFM COVID-19 Policies and Plans (May 25, 2021) putting into place precautions and measures required by the state and providing assurances that our community members are safeguarding one another as best as we are able. Some will appreciate every element of the Policies and Plans and not want to worship in person without these precautions in place; others might find these same precautions onerous or invasive and hesitate to participate. It's important that we keep communication flowing. Concerns can be addressed to Janine Bruton and the members of the Worship and Ministry committee: John Hatten, clerk, Kristen McLewin, and Mary Ann Percy. Questions are best addressed to Janine Bruton and cc'd to the W&M committee.

WHEN FIRST ATTENDING THE IN-PERSON MEETING FOR WORSHIP EACH FRIEND NEEDS TO INITIAL, SIGN AND DATE THE BFM COVID-19 POLICIES AND PLANS AVAILABLE [HERE](#). Please review it very carefully. You will note five items that place responsibilities upon each individual. Beside each of those five items is a line for your initials acknowledging that you have reviewed the item, accept the responsibility and are willing to comply. The initialed, signed and dated document needs to be delivered to the person who is in care of meeting each week or the "coordinator" (Janine Bruton) before you first attend a Meeting for Worship. ***Please remember to bring it with you to Meeting for Worship. So important!***

Janine volunteers to be "in care of meeting" for our first gathering and as "care of meeting" she will have the supplies we need on hand (e.g. hand sanitizer). We will rotate the "care of meeting" role so consider whether you are willing to take a turn serving the community in this capacity on June 9 and each week thereafter. A care of meeting "what to do" list" is provided [HERE](#) so no worries.
